NC Dames Receive Preservation Award

On May 22, 2019, the NSCDA-NC received an award from Historic Wilmington Foundation for recent restoration projects completed at the Burgwin-Wright House. The award presentation was part of the Foundation's celebration of Historic Preservation Month.

Burgwin-Wright House Museum Director Christine Lamberton and the Society's Executive Director Joy Allen accepted the award on behalf of the NSCDA-NC, along with Dames Mary Eggleston, Berta Hamilton and Elizabeth Donald.

Many of the restoration projects completed at the Burgwin-Wright House were funded by grants from the Isabel James Lehto Foundation and a generous gift from the late Lillian Bellamy Boney. [Read the award nomination narrative...](#)
