

Burgwin-Wright Gardens on the Cover of Wilmington Parent

Written by Hope Trent

Friday, October 07, 2016 10:49 AM

To raise awareness of child heart defects, Ella Grae, a local girl with Hypoplastic Left Heart Syndrome, posed as the Queen of Hearts in the Burgwin-Wright Gardens for the cover of October's Wilmington Parent magazine. Copies can be found at local Harris Teeter stores or online at the link below.

Tennille Gore Photography, located in Wilmington, captured the images for the magazine. To see more of the photos taken, [click here](#).
